

Verification Worksheet
2023-24

Your 2023-24 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document along with any other required documents. If there are discrepancies, your FAFSA information may need to be corrected. You and your spouse (if applicable) must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact Graduate Financial Aid so that your financial aid will not be delayed. **Return to Graduate Financial Aid via: Fax 203-582-4061, email, in person or mail.**

Note: We may require additional documentation if we have reason to believe that the information regarding the household members enrolled in eligible postsecondary educational institutions is inaccurate.

Income Information for Student Who Filed or Will File a 2021 Tax Return

Important Note: The instructions below apply to the student and/or spouse, if the student is married. Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2021 or had a change in marital status after December 31, 2021.

Instructions: Complete this section if the student and spouse filed or will file a 2021 IRS income tax return (s). *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov.* In most cases, no further documentation is needed to verify 2021 IRS income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

Check the box that applies:

The student has used the FAFSA's IRS DRT to transfer 2021 IRS income tax return information into the student's FAFSA.

The student has not yet used the FAFSA's IRS DRT but will use the tool to transfer 2020 IRS income tax return information into the student's FAFSA.

The student is unable or chooses not to use the FAFSA's IRS DRT and instead will provide the school a **2021 IRS Tax Return or Tax Return Transcript(s) and all forms and schedules.**

If the student and spouse filed separate 2020 IRS income tax returns, the IRS DRT cannot be used and the **2021 IRS Tax Return or Tax Return Transcript(s)** must be provided for each.

___ Check here if a **2021 IRS Tax Return or Tax Return Transcript(s) and all forms and schedules** are provided.

___ Check here if a **2021 IRS Tax Return or Tax Return Transcript(s) and all forms and schedules** will be provided later.
