# Federal Work-Study

A few points about FWS at Quinnipiac University:

- Accepting FWS is not a binding contract for employment.
- FWS employment is an opportunity to build your resume.
- FWS employment allows you to learn all the offices on campus and meet new students.
- FWS is an opportunity to earn pocket money, **but it does not reduce the balance due.**
- Students can begin applying for student employment as early as this summer!

# How To Meet The Balance Due

- **Savings**
- **Educational Savings Plans:**
  - Check with your plan for payment options and what are eligible expenses.
  - Check the growth at which the plan is growing compared to interest rates.
- **Payment plans** allow students and families to make monthly payments directly to the schools.
- **Educational Loans:**
  - Federal Direct Student Loans
  - Federal Direct PLUS Loan – only in parent’s name
  - Private Loans – available for parents and students but students will need credit-worthy cosigner
- **Other:**
  - **Outside scholarships**
  - VA Educational Benefits
  - Employer Tuition Benefits

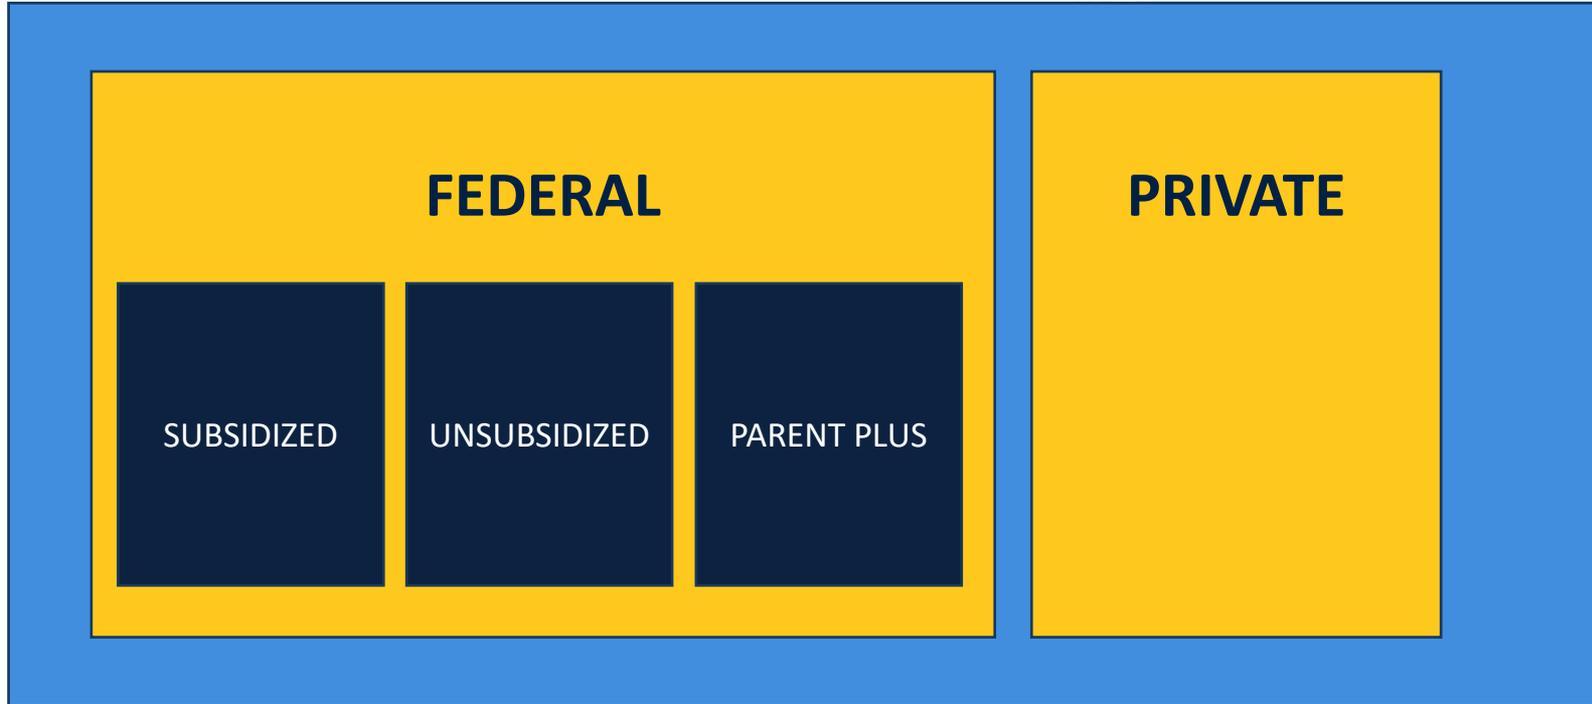

## Responsible Borrowing

- ✓ Before taking out student loans, utilize all resources including payment plans.
- ✓ Conservative borrowing is always recommended but you can borrow to reimburse yourself for out-of-pocket expenses such as books and supplies.
- ✓ Federal Loans will give you the option to begin payments now or 6 months after you graduate or cease to be enrolled at least ½ time.
- ✓ Private lenders will have varying interest rates and repayment schedules.  
Visit [www.elmselect.com](http://www.elmselect.com) for some common lenders.
- ✓ Making payments while in school will save on accrued interest.

  - Visit our webpage at [www.qu.edu/scholarships](http://www.qu.edu/scholarships).
