

Quinnipiac

UNIVERSITY

YOU ARE WELCOME HERE

A HOME FOR ALL

At Quinnipiac University, our students thrive in a close-knit, safe community that values positive change, inclusive excellence and compassion for all. That's why international students from 46 countries have found a home on our campus and are proud to call themselves Bobcats.

Our growing international student population brings diverse cultures, perspectives and traditions to campus each year, creating a fuller and more dynamic learning experience that benefits our entire community.

We're preparing the next generation of enlightened global citizens, difference-makers and innovative leaders. We hope you'll join us!

A LOCATION THAT HAS IT ALL

ACCESS THE BEST OF THE NORTHEAST

Quinnipiac University is located in the northeastern corner of the United States in the heart of the historic and picturesque state of Connecticut.

As one of six New England states on the East Coast, Connecticut represents a special blend of bustling city life, rustic landscapes and charming coastal towns.

Uniquely positioned within the “power corridor” of Boston and New York City, Quinnipiac is easily accessible by car, train or plane, with close proximity to Bradley International Airport and several smaller airports providing regional air services to popular U.S. destinations.

No matter which direction you choose, travel with confidence knowing you’ll discover welcoming communities full of culture, entertainment and delicious food. With Quinnipiac as your starting point, the possibilities are endless.

SUPPORT ALONG THE WAY

HERE FOR YOU, EVERY STEP

While home may be far away, Quinnipiac offers personalized support for every student.

We begin by hosting Welcome Week where students can connect with each other, form lasting friendships and get acclimated to campus life. Our Office of International Students and Scholars will help you with a range of support throughout your time here, including visas, U.S. bank accounts and resources to enjoy life at Quinnipiac and in the U.S.

Our support includes:

- Navigating immigration matters, work authorizations and travel guidance
- Cultural events and exchange opportunities
- Move-in assistance, shopping trips, class schedule walk-through, winter coat closet
- Connecting to resources at Quinnipiac and the local community
- The Center for Religion with Catholic and Protestant chaplains, a Muslim religious life coordinator and a full-time rabbi

A CAMPUS FOR ALL SEASONS

A PORTRAIT OF NEW ENGLAND

Summer Average Temp

22.4° C/72.4° F

Coastal shorelines within a short drive from campus and an abundance of outdoor activities fill summer days that give way to cool evenings where fireflies and stars light up the skies.

Fall Average Temp

14.3° C/57.8° F

There is nothing more collegiate than walking across campus on a crisp autumn afternoon. Fall brings out the best of New England with all of its rustic charm and colorful changing leaves.

Winter Average Temp -2.6° C/27.2° F

Quinnipiac doesn't slow down when a blanket of white snow covers the campus. Sledding, skiing and snowboarding are only a few of the fun ways to enjoy the coldest months of the year.

Spring Average Temp 9.4° C/49° F

As the trees begin to blossom, campus activities flourish with the warmer temperatures as the entire community prepares for our annual Commencement ceremony on the Quad, the culminating event of every academic year.

LIVE HERE

THRIVE HERE

For nearly 100 years, Quinnipiac has called New Haven County home. Our three campuses are located in the towns of Hamden and North Haven, both known for their perfect blend of urban and suburban lifestyles with family-oriented environments.

Just 15 minutes from all three campuses is New Haven, a vibrant city with shopping, culture and nightlife. Our shuttle for students to New Haven's Union Station and downtown New Haven will easily connect you with anywhere you need to go.

As a community that puts students first, we make your health and security a priority. Quinnipiac is home to one of the safest campus communities in the country with a 24/7 public safety department. High-quality, coordinated health and wellness services are also available on campus and coordinated in partnership with Hartford HealthCare.

HOME AWAY FROM HOME

LIVE, LEARN AND GROW

Our residence halls are more than just accommodations; they're vibrant communities that foster lifelong connections.

Take a virtual tour of our dorms at qu.edu/dormtours and see for yourself the inviting living spaces that will become your home away from home.

Visit qu.edu/dining to explore our diverse culinary options, with dining stations that accommodate every palate and dietary need—including vegetarian and halal offerings.

LEARN
MORE

qu.edu/reslife

Our Living and Learning Experiences have been created to bring students with common interests, passions or academic pursuits together in a shared residential environment.

The Grove, our new residence hall, will bring first-year students together with undergraduate mentors with an emphasis on civic engagement. Learn more about these opportunities at qu.edu/lle

STUDENTS HELPING STUDENTS

LEARN FROM FELLOW BOBCATS

Through pre-arrival assistance, social programming and hands-on learning, we've designed a variety of peer-to-peer mentoring programs that provide the tools, knowledge and experience to help you prosper.

The Global Partners Program is a fun way to get to know the Bobcat community with activities and excursions designed to connect current students with new international students for advice, friendship and a warm Quinnipiac welcome when you arrive on campus.

Our international student ambassadors are current undergraduate and graduate students who are available to answer any questions you may have about campus life, academic studies, living in the U.S. and more.

STAY FIT AND HAVE FUN

WAYS TO STAY ACTIVE

Whether you want to compete nationally in Division I athletics, get in a great workout or join a club or organization, there's no shortage of options for our Bobcats to participate in on-campus activities.

Our intramural and club sports offer eligible, full-time students the perfect blend of fun and competition, with offerings such as soccer, tennis, dance and our newest club sport, cricket.

BOUND FOR SUCCESS

YOUR CAREER DEVELOPMENT IS OUR PRIORITY FROM DAY ONE

iQ is our approach to career development and experiential learning. We partner with you to co-create a personalized plan from which a unique career pathway emerges. Our Career and Experiential Learning Lab is the physical space where students and advisers bridge the gap between college and career. Each of our schools provides strategic counsel beginning with your first semester on campus.
