## GREETINGS FROM PRESIDENT OLIAN

Congratulations to the Class of 2023! You are well prepared to continue your life journey as professionals who will impact the world and the workplaces of tomorrow. We are confident you will apply your talent, passion and education to serve boldly as engaged citizens in your communities — and beyond. These qualities are at your core and will continue to propel you well into the future.

As graduates of Quinnipiac University, you have learned from a distinguished faculty and a committed staff who proudly stand beside you today. You also have learned valuable lessons from each other during this most transformative time in your lives. Please stay connected to our Bobcat family, visit us often, and draw upon the many friendships and mentorships you have formed here.

This day is shared with your families and friends, those who also deserve special recognition and appreciation for their contributions to your success. Enjoy this momentous achievement! Together, we are cheering for you, with utmost pride.

Warmly,

Judy D. Olian, PhD
