GREETINGS FROM PRESIDENT OLIAN

Congratulations to the Class of 2024 as you celebrate the culmination of four years of hard work and a steadfast commitment to your dream. As you embark on residencies in 24 states and 16 different specialties and subspecialties, you are well prepared to be leaders in your community and to practice truly compassionate, patient-centered healthcare.

As graduates of Quinnipiac University's Frank H. Netter MD School of Medicine, you have learned from a distinguished faculty and a committed staff. You also have learned valuable lessons from each other during this transformative time. Please stay connected to the QU Netter community and continue to enjoy the many friendships and mentorships you have nurtured here.

Your talent, drive and purpose are sure to impact many and to make the world a better and more equitable place for all. Enjoy this day with your families, friends and others who have helped you reach this milestone. Together, we are cheering for you, with utmost pride.

Warmly,

Judy D. Olian, PhD

A MESSAGE FROM DEAN BOISELLE

Congratulations to the Class of 2024 on your remarkable achievement!

Four years ago, you entered medical school amid a global pandemic. Individually and collectively, you have successfully met a series of unprecedented challenges with an admirable combination of grace and grit. At every step, you kept your focus on caring for our patients, our community and one another.

You are graduating at a watershed moment of opportunity for greater health equity and are poised to help lead these efforts in the communities in which you serve. As you go forth as doctors, you will help fulfill our school's vision of painting a brighter and more equitable healthcare future for all — one brushstroke and one patient at a time.

No matter where your future career paths take you, you will always be part of our QU Netter family! Please share news of your successes and allow us to support you on your respective journeys.

Good luck and Godspeed!

Phillip Boiselle, MD
